## ALTERNATIVES TO ANIMAL EXPERIMENTATION

Thomas Hartung:  
**Food for thought  
... on evidence-based  
toxicology**

Anja Henn, Søren Lund,  
Maj Hedtjärn, André  
Schrattenholz, Peter Pörzgen  
and Marcel Leist:  
**The suitability of  
BV2 cells as  
alternative model  
system for  
primary microglia  
cultures or for  
animal experiments  
examining brain  
inflammation**

Mahtab Bahramsoltani,  
Johanna Plendl,  
Pawel Jancyk, Pia Custodis  
and Sabine Kaessmeyer:  
**Quantitation of  
angiogenesis and  
antiangiogenesis *in vivo*,  
*ex vivo* and *in vitro*  
– an overview**

Ursula G. Sauer:  
**Animal and non-animal  
experiments in  
nanotechnology – the  
results of a critical  
literature survey**

# The Three Rs and the Humanity Criterion

A revised and updated version of the *The Principles of Humane Experimental Technique*, the landmark treatise by WMS Russell and RL Burch that first set out the Three Rs strategy.

To mark the 50th anniversary of the publication of the landmark treatise on humane experimental techniques, *The Principles of Humane Experimental Technique*, by WMS Russell and RL Burch, FRAME is publishing an abridged version in June.

The new edition is called *The Three Rs and the Humanity Criterion*, a title taken from the text of the original version. The book is shorter and has had its language modernised to make it more up-to-date and easier to read.

With permission from Cleo Paskal, Literary Executor and now owner of copyright, it has been edited and abridged by FRAME Chairman, Michael Balls, who said: "When I read the book, I found some of its passages so astounding that I have had to read them over and over again.

*"Some of the words and expressions used, though undoubtedly elegant, are not easily understood. So I wondered if I could do something to help to make The Principles more accessible, especially to readers whose first language is not English."*

## Ways to Pay:

Send a cheque, made payable to FRAME, to:  
FRAME, Russell and Burch House,  
96–98 North Sherwood Street, Nottingham NG1 4EE.  
Please write your name and address, and the words  
"Book order" on the back of the cheque.

### Bank Transfer Details

Barclays Bank plc, Nottingham High Street Branch,  
Nottingham Group, PO Box No 18, Nottingham NG1 6FF  
Account Name: FRAME  
Account Number: 20392529  
Bank Sort Code: 20-63-25  
SWIFT Code: BARCGB22  
IBAN Code: GB69 BARC 2063 2520 3925 29  
VAT Number: GB 745 7026 27  
Please quote Payment Reference: MBBOOK

*Save up to £4  
Pre-order today!*
